

1. These fees are estimates only for students enrolling in government funded courses in 2016 on a full-time basis unless otherwise stated.
2. The approximate fees detailed below may differ between training providers due to the elective units they have included in the course outline.
3. The approximate fees detailed below may differ for each individual depending on the units of study selected, prior education qualifications and recognition of prior work experience/learning.
4. These differences generally result from adapting courses to meet local industry needs. The actual cost of a course will also vary if different electives are chosen by the student.
5. Concessions and annual course fee caps may also apply.
6. Fees have been quoted on the basis of 2016 fee rates only. These are expected to change in 2017.
7. This document is accurate at the time of publication (Jan 2016). Course information and fees are subject to change without notice.
8. For secondary school aged persons (born on or after 1 July 1998 and must be at least 15 years old), the maximum tuition fee chargeable in 2015 is \$415.
9. Other charges may apply.
