The beauty and cosmetic industry today, offers exciting and rewarding career opportunities.

At West Coast we provide the training and skills base to meet the challenges of this industry.

We place emphasis upon high training standards and well structured courses, which are tailored to the current requirements of today’s beauty and cosmetic industry.

Our courses are hands on and practical in nature and with the use of a working salon, which is open to West Coast staff, students and the public, we have helped to create an authentic training environment for our students.

Here our students practice and hone their skills in areas such as nail technology, make-up for photography, waxing and tinting.

Throughout the beauty/cosmetic industry West Coast has gained a reputation for training excellence.
