How to login to Blackboard

Go to the web address [http://blackboard.wcit.wa.edu.au/](http://blackboard.wcit.wa.edu.au/) or click the “Blackboard” link on the WCI website.

Login to the following screen using your student number as the username.

Your password, by default, will be “West” and your birthday i.e. WestDDMMYYYY

(If your birthday is 15th of March 1990, your password will be West15031990)

If your password doesn’t work, please contact Technology Services Helpdesk on 9233 1040.

If other errors occur please check the “Common Problems” link or contact your lecturer.

Once you have successfully logged in you will see the following screen.

Your course list is displayed here under “My Courses”.

Your courses will not appear until the start of semester. If you have no courses after this time, please contact your lecturer and remember that not all courses are available online.
